# Requesting Items from Other Libraries

If

- your search in MaineCat doesn't find what you need
  - all the copies are unavailable
  - you would like an article photocopied
- the library can request them for you.

Email your request to [voseill@voselibrary.org](mailto:voseill@voselibrary.org)  
or come in to fill out a paper request slip.

If all MaineCat copies are checked out,  
we will ask them to place a hold for you.

If no libraries in MaineCat own a copy, we can search out of state.  
Out of state requests will be charged for return postage.  
(Usually under \$3.75) Just mark "Postage ok if necessary".
