

Vose Library eReader Borrowing Policy

Vose Library now offers ereaders for our patrons to borrow – so you can try out ebooks and explore this new way of reading. These devices each have a variety of ebooks preloaded for your reading pleasure.

Here's the deal:

- ⤴ **10 day loan**, and you may renew a device twice unless there is a hold by another patron.
- ⤴ **Limit: one device per person** at a time.
- ⤴ **Return the ereader to the circulation staff directly** – do not put it into the bookdrop where it could be damaged. If the ereader is returned in the bookdrop, a \$20 minimum fee will be charged for unnecessary risk to the device.
- ⤴ **\$1 per day late fee** if you return the ereader after its due date. If the device is over 15 days overdue, you will be notified. If you don't return the device within 5 business days of being notified, you will be held responsible for the replacement cost of the device.

Replacement Costs:	eReader	\$ 90
	Case	\$ 10
	Power cord	\$ 10
	Handling fee	<u>\$ 10</u>
		\$120

By checking out an ereader on your library account, you agree to accept full responsibility for the proper handling, authorized use, and condition of the device until it is checked back in to the Library. This includes financial responsibility for the retail value of the device and accessories if they are lost or damaged.

I agree to the Vose Library eReader Borrowing Policy and Rules for use and take full responsibility for the e-reader I am checking out.
